Truro Planning Board Minutes  
April 24, 2007  
Truro Central School - Gym  
7:00 p.m.

Members Present: Nick Brown, Chair, William Worthington, Karen Snow, Deb Paine, Bob Weinstein and Ansel Chaplin

The Planning Board met for the purposes of discussing any matters that might come up during the Truro Annual Town Meeting and more specifically related to Articles 15, 19, 20 and 21. The Board, at approximately 8:40 moved to the front of the Gym to present the articles, earlier moved, by Mr. Brown, that Article 15 be deferred until after Article 21. Each of the Articles was moved, seconded, and discussed. Each Article was approved as written; however, there was an amendment on the floor of Town Meeting to amend Article 19 to require water efficient plumbing be installed in all units created under this article. The amendment failed and thus the article approved as written.

The Town Meeting adjourned at 9:00 p.m.

Respectfully Submitted,

Charleen Greenhalgh, ATA/Planner
